

## **Want a salad bar at your school?**

Student Nutrition Services received a grant in 2007 from the Mayor's office and the Department of Children, Youth, and their Families, to open 25 salad bars in SF public schools. If your school did not get a salad bar, and would like one, the best thing to do is to write to the Board of Education and Superintendent Carlos Garcia, and ask them to fund the salad bar proposal which was submitted for Prop H funding in the 2008-09 school year. There is currently no other source of funding available to open more salad bars in more schools.
